

HIGH ROLLER

Epic 630™

- Extra large 6-inch diameter paper rolls
- Quick and easy drop-in paper loading
- Auto-cutter standard
- Variable-length ticket presenter standard
- Graphics capability standard
- Five sensors standard
- Internal universal AC power supply standard
- Fast print speed — 6 inches/second (152 mm./second)

The very same quality, durability and reliability we bring to gaming, lottery, point-of-sale, hospitality and banking printers, we bring to kiosk printers. The Epic 630 stands apart because of its outstanding convenience and paper capacity — 6-inch diameter rolls deliver the ultimate in time and cost savings, just open the clamshell design, drop in a new roll, you're all set. Add the five standard sensors and standard variable-length ticket presenter, and you can see the great value. The Epic 630 is backed by our solid reputation for quality and reliability.

WHO WE ARE

TransAct Technologies Incorporated (Nasdaq:TACT) is the leader in developing and manufacturing market-specific printers for transaction-based industries. These industries include gaming, lottery, POS, kiosk, and banking. Each individual market has distinct, critical requirements for printing and the transaction isn't complete until the receipt and/or ticket is produced. TransAct printers are designed from the ground up based on market specific requirements and are sold under the Ithaca® and Epic product brands. TransAct distributes its products through OEMs, value-added resellers, and selected distributors. TransAct has over two million printers installed around the world. TransAct has a strong focus on the after-market side of the business, with a high commitment to printer service, supplies, and spare parts. TransAct is headquartered in Hamden, CT. For more information on TransAct, visit www.transact-tech.com or call 203.859.6800.
