

TransAct Technologies To Supply Inkjet Cartridges To Leading National Office Supply Chain - Quick Facts

August 15, 2006

(RTTNews) - TransAct Technologies Inc. ([TACT](#) | [charts](#) | [news](#) | [PowerRating](#)) signed an agreement with a leading national office supply chain to supply inkjet cartridges for use in the existing and growing installed base of TransAct's line of inkjet printers in the marketplace.

The company expects to ship approximately \$1.4 million of inkjet cartridges per year under the agreement.

Through this contract, TransAct Services Group has now secured a significant amount of incremental inkjet cartridge business.
