

BOHA!® CHECKLIST

DIGITAL CHECKLISTS DESIGNED FOR OPERATIONAL EXCELLENCE

BOHA!® Checklist replaces paper logs with smart digital workflows that streamline food safety, operations, maintenance, and audits. Teams can view, complete, and verify tasks — all backed by real-time data and customizable checklists. Built-in support for PDFs, images, and videos ensures staff always have the right guidance, right when they need it.

FOLLOW EVERY STEP. COMPLETE TASKS. DELIVER EXCELLENCE.

Here's how BOHA! Checklist improves your operations.

Built for Your Process

Create custom checklists for daily operations, preventative maintenance, HACCP tasks, and more — so every shift stays on track.

Track Every Task

Keep a digital record of completed tasks with time-stamped logs, photos, and notes—ensuring clear accountability across every shift.

Guidance Built In

Assign follow-ups in seconds and provide built-in corrective actions, so staff always know what to do next — and nothing slips through the cracks.

Stay on Schedule

Set alerts and notifications to keep tasks on time and ensure every step is completed correctly.

Control from the Cloud

Manage setup, checklists, and updates across all stores with one cloud-based system—built for efficiency at scale.
