

# BOHA!® MEDIA

## YOUR KITCHEN'S DIGITAL PLAYBOOK

BOHA!® Media replaces outdated binders and laminated instructions with a dynamic, digital content hub—available on the BOHA! Terminal 2 and any Android or iOS tablet. Whether your staff is prepping, training, or maintaining equipment, they'll always have the most current information at their fingertips.

No more printing. No more shipping. No more wondering  
if every location has the latest update.

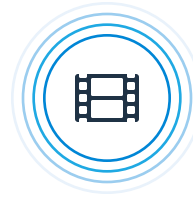

# FASTER TRAINING. FEWER MISTAKES. BETTER RESULTS.

Here's how BOHA! Temp raises the standard.

## Keep Recipes Current

Ditch the binders—store every recipe in one central digital library so your team always follows the latest version. No reprints, no confusion.

## Train with Confidence

Upload on-demand videos to keep staff aligned with kitchen procedures and prep standards—perfect execution, every time.

## Protect Your Brand

From prep steps to safety protocols, ensure every dish meets your brand's standards with easy access to up-to-date content.

## Update Once. Sync Everywhere.

With cloud-based access, you can push updates across locations in real time—no printing, shipping, or second-guessing.
