Plus, with our NEW paper saving mode you can save up to 33% with each receipt printed!

The image shows the Ithaca 9000 printer, a coffee cup, and a delivery bag. The printer is black with the Ithaca 9000 logo. A receipt is coming out of the top. The coffee cup is white with a brown sleeve and a label that says "Latte". The delivery bag is brown with a white label that says "142". A green callout box on the right highlights the "paper saving mode" and shows a receipt example.
